

## Year 1 – Exploration: Where could we go on an adventure? How could we get there?

### Vocabulary:

**North/South** – Points on a compass.

**Environment** – Our surroundings and where we live.

**Map** – A plan which helps us to find where things are in an area.

**Globe** - A model of the world.

**Village** – a group of houses and some other buildings like shops, libraries and places of worship.

**City** - A large town with lots of shops and lots of people.

**Country** - Land which is controlled by one group of people where they share the rules.

**Town** – An area with some buildings which is bigger than a village but smaller than a town.

**Climate** - The climate is the general weather we expect in an area.

Village

Country

Town

City

We're Going On A Bear Hunt

Where The Wild Things Are

Whatever Next

Can't You Sleep, Little Bear?

Walking Through The Jungle

### Knowledge:

We can travel on planes to countries which are far away, or we can go in a boat, train, bus, coach or car for shorter journeys.

**Limeside** is where our school is and it is in Oldham.

**India** is a hot country that is far away from Limeside and lots of people live there.

**New York** is a busy city in America where they also speak English.

**The South Pole** is covered mostly in ice. Not many people live there but you might find seals and penguins there.

**Greece** is a warm country with lots of islands. They speak Greek there.

**Can you do some research to find out more about these places and how they are different to Limeside?**
