

Meet OA Limeside's Assistant Principal for Inclusion

Mrs Charles:

More about me ...

My name is Mrs Charles and I am the Assistant Principal for Inclusion. My role includes being the SENDCo, Attendance Lead, Behaviour Lead and Senior Mental Health Lead. I believe that all children should be supported to be fully included and reach their potential. I have worked at Oasis Limeside since 2022 and before that was the SENCo at Oasis Clarksfield.

My aims for inclusion:

At Limeside, we strive to ensure that every child is supported to access a broad and balanced curriculum, whilst meeting their individual needs. We believe that in doing this, children will be able to reach their full potential.

We want all of our children to enjoy coming to school, and to access a high quality and ambitious curriculum through high quality teaching and additional scaffolding and adaptations in a timely manner when necessary.

I have worked at Limeside since September 2022 and have been working with staff and students to ensure our provision for children with SEND, Pastoral and Mental Health needs supports them to be confident learners.

The qualifications and training that I have attended:

- NA SENDCo Award
- NPQ Leading Teacher Development
