

Meet Oasis Academy Limeside's Assistant Principal for Curriculum and Assessment

Mrs Madden:

More about me ...

My name is Mrs Madden and I am the Assistant Principal for Curriculum and Assessment.

My role includes being a Year 6 class teacher, Curriculum Leader supporting all of our Subject Leads, Assessment Lead and a Deputy Safeguarding lead. I believe that all children should be actively engaged in their learning - making good progress and gaining knowledge in all subjects. year on year.

My aims for Curriculum and Assessment:

At Limeside, we want our children to access a broad and balanced curriculum of subjects which equip them for life in the wider world. We strive to bring our knowledge-rich curriculum off the page and to life by delivering hands-on experiences, trips, visitors and engaging activities to ensure our young learners know more and remember more as they move through the years here at the Academy.

I have worked at Limeside since Summer 2022, having previously worked at another Oasis Academy in Manchester. At Oasis Limeside I have taught in Year 4, Year 2 and Year 6 where I am privileged to deliver our high-quality curriculum to the children, as well as leading our Subject Leads in reflecting and developing lessons which suit the needs of our Limeside's.

The qualifications and training that I have attended:

- NPQ in Senior Leadership
- Instructional Coaching
- The Science of Learning
- The Write Stuff
- Closing the Reading Gap
- Infusing Rich Vocabulary
- Growth Mindsets
- The Primary Writing Project
- Termly Curriculum Leader updates
- Termly Assessment briefings
- Regular STA Government assessment training
- Curriculum subject strategy and community networks
