

Meet Oasis Limeside's EYFS Leader

Mr Walker-Lewis:

More about me ...

Hello,

I am Mr Walker-Lewis and I lead the Early Years Foundation Stage at Oasis Limeside. I have worked at Limeside for 8 years and I am also the Oasis Horizons lead for the school. I am passionate about Early Years Education and strive for all children to achieve their God-given potential and SHINE with possibility.

My aims for the EYFS:

At Limeside we place great value on solid and firm foundations in Early Years, in order to support children in the next stage of their school life.

We have a strong ethos of learning through play, which relies on trained and responsive staff and H&I by all. My aim is to empower these staff to feel confident and knowledgeable through bespoke CPD and ongoing support firmly embedding our SHREC approach and use of High-Quality Interactions.

Providing calm and safe learning environments that are enabling and motivating for all children is something we take great pride in. We aim to provide a home-from-home feel in all our classrooms.

We also have a bespoke curriculum offer, reflecting our demographic and the specific needs of our children and their families.

We want to inspire our children to see the wonder and awe in the world and to be kind, safe and ready for their next step in their learning journey throughout school at Oasis Limeside.

The qualifications and training that I have attended:

- Currently studying NPQSL - which focuses on supporting whole school change and developing a play-based model for learning across EYFS.
- Tales Toolkit Training
- Leadership Matters 3.0
- OFSTED EIF Curriculum Roadshow
- Designated Safeguarding Lead training
- Positive Handling Training Level 1+ 2
- Paediatric first aid
